Just a few minutes of your time can make a difference!

As you know, **Save the Children is committed to improving the lives of children**, both in the U.S. and around the world, helping kids to grow and reach their full potential. For that reason we are asking that you take a few minutes to **complete our survey**, which will be used to help identify areas where Save the Children can work and communicate more effectively.

Your responses will be used to provide direction for new ideas and messaging that will help spread awareness of Save the Children. Ultimately, **the responses provided in this survey will allow us have a greater impact on more children's lives.**

Save the Children®

This survey will take **approximately 25 minutes of your time**. The survey is being conducted by Harris Interactive, an independent global market research firm. Your **participation in the survey will remain strictly confidential**. All of the analysis and reporting will be based on the aggregate responses. As an added incentive, **each completed survey will be entered into the Harris Interactive HiStakes sweepstakes to potentially win up to \$10,000, which is 100% funded by Harris Interactive.**
